APPROVING AUTHORITY

General Counsel

EFFECTIVE DATE

1 May 2026

OWNER

General Counsel & Company Secretary

REVIEW CYCLE

Annual

## 1 · *Acceptance*

---

By accessing this website, by submitting an inquiry through any of the forms here published, or by subscribing to any distribution list operated by Macropod Dynamics Pty Ltd (the Group), you agree to be bound by these Terms of Engagement together with the Group's Privacy Policy. If you do not accept these terms, you must not use this website or submit any inquiry through it.

## 2 · This website is *informational*

---

Information on this website is published for the convenience of authorised industry, media, Commonwealth and allied counterparties. It does not constitute, and is not intended to constitute, legal, financial, defence-procurement or investment advice. Information is provided "as is" without representation or warranty as to currency, completeness or fitness for any particular purpose, except as required by Australian law (including non-excludable consumer guarantees under the *Australian Consumer Law*).

### 2.1 No offer of securities

Nothing on this website is, or is intended to constitute, an offer of securities, a prospectus, a product disclosure statement, or a solicitation to subscribe for or purchase securities of the Group. Capital information is published for the information of existing security-holders and qualifying counterparties under section 708 of the *Corporations Act 2001* (Cth).

### 2.2 Forward-looking statements

Statements published on this website concerning the Group's future programs, capabilities, contractual outlook or capital position are forward-looking statements based on current management expectation. Outcomes may differ materially from those forecast. The Group is not obliged to update forward-looking statements to reflect events occurring after publication.

## 3 · *Inquiries* & form submissions

---

Inquiries submitted through this website are received by the Group's Office of Corporate Affairs. The standard response window is five business days. Submission of an inquiry does not, of itself, create any contractual relationship between you and the Group. The Group reserves the right to decline to respond to inquiries that are vexatious, unsolicited marketing, or made in apparent breach of applicable export controls.

### 3.1 Information you submit

You warrant that information submitted through this website is accurate, that you are authorised to submit it on behalf of any organisation you nominate, and that the inquiry is not subject to export controls under the Defence and Strategic Goods List or the United States International Traffic in Arms Regulations that would

prohibit unsolicited disclosure to the Group. You acknowledge that information submitted may be retained by the Group consistent with our records-management policy and the Privacy Policy.

### 3.2 Subscription distribution lists

Subscription to a distribution list operated by the Group constitutes consent under section 16 of the *Spam Act 2003* (Cth) to receive the communications you have selected. You may unsubscribe at any time using the link included in every distribution.

## 4 · *Intellectual* property

---

All content published on this website — including text, layout, code, photographs, illustrations, logos, registered marks ("Macropod Dynamics", "MK-VII", "BOOMER", "JOEY", "KOOLABEAR", "AUSTRAL-7") and other distinguishing indicia — is the property of the Group or its licensors and is protected by Australian copyright and trade-mark law. You may make a single copy of any page for your personal, internal-business or research use. Reproduction, redistribution or commercial use without written permission of the Group is not permitted.

## 5 · *Export* controls

---

The MK-VII platform, its derivative variants, sub-systems, technical data and associated services are controlled under Part 1 of the Defence and Strategic Goods List (DSGL) administered by the Department of Defence; selected sub-systems are also controlled under United States International Traffic in Arms Regulations (ITAR), Categories VIII and XI. You must not request, accept or attempt to extract from the Group any controlled information through this website or any inquiry channel except in accordance with applicable export-control authorisations.

## 6 · *Hyperlinks* to third-party sites

---

This website may contain hyperlinks to websites operated by third parties. Such hyperlinks are provided for convenience only and do not constitute the Group's endorsement of, or assumption of responsibility for, the third-party content. The Group's Privacy Policy applies only to information collected through Group-operated channels.

## 7 · *Liability*

---

To the maximum extent permitted by law, the Group, its officers, employees and agents are not liable to any person for any loss, expense or damage arising directly or indirectly from the use of, or reliance upon, this website. This limitation does not exclude or modify any non-excludable consumer guarantee or statutory right.

## 8 · *Governing* law

---

These Terms of Engagement are governed by the laws of the Australian Capital Territory and the Commonwealth of Australia. The parties submit to the non-exclusive jurisdiction of the courts of the Australian Capital Territory.

## 9 · *Variation* & contact

---

The Group may vary these Terms from time to time. The current edition is published on this website. Continued use of this website after publication of an updated edition constitutes acceptance of the variation.
